Upcoming Projects from Public Works-Engineering

General Information

The City of Wichita receives bids at the Purchasing office (455 N.Main, 12th Floor) up to 10:00 a.m. on the Friday specified for each project in this bulletin. All bids received online and/or on paper will thereafter be publicly opened, read aloud, and considered by the Board of Bids and by City Council. The Wichita City Council reserves the right to reject any and all bids.

Plans & Specifications for these projects are generally available 10 days prior to the bid date unless otherwise specified. All work is to be done under direction and supervision of the City Manager and according to the plans & specifications on file in the City Engineer's Office. Bidders are required to include a bid bond in the amount of five percent (5%) with each bid.

Requests for the bid documents & plans should be directed to QuikPrint (942-2208). Other questions should be

directed to the project Engineer (268-4501).

The successful bidder may contact Kim Pelton (268-4499) for extra sets of plans/specs.
